Objective

Enthusiastic and motivated Computer Science student with foundational knowledge in programming and web development. Seeking an internship to leverage my technical skills in a hands-on environment and to contribute to impactful projects within a tech-driven organization.

Education

Nottingham Trent University – Nottingham, UK

Bachelor of Science (B.Sc.) in Computer Science (Expected Graduation: 2028)

Relevant Coursework: Introduction to Programming, Web Development, Data Structures

Technical Skills

Programming Languages: Java, Python, HTML, C, SQL

Web Development: Basic front-end development with HTML and PYTHON

Tools & Technologies: GitHub, Visual Studio Code, Adobe Photoshop, Excel, Power Point, Projects

Soft Skills: Critical Thinking, Problem Solving, Team Collaboration, Design Thinking

Projects

Java Console Applications

- Created a simple calculator and a to-do list manager using Java. Focused on object-oriented programming principles to build functional and user-friendly applications.

- Created an angry bird game with loops and levels using Java.

- Created a simple hangman game and snakes and ladder game using Python. Focused on using loops and files and kept it user friendly.

Experience

WhiteHat Jr Java Course (Completed 2022)

- Completed a 2-year structured Java course where I learned the fundamentals of Java programming, object-oriented design, and created various small projects to solidify my knowledge.

Leadership & Volunteer Experience

Event Organizer, Keys to the Future

- Assisted in planning and organizing events focused on tech education for young students.

Developed skills in teamwork, event management, and community engagement.

Volunteer, Charity Fundraising Campaigns

- Participated in multiple fundraising campaigns for charities supporting blind and deaf communities.

Developed strong interpersonal skills and empathy while working with diverse groups.

Extracurricular Activities

Coding Club: Member of the university coding club, participating in hackathons and coding challenges.

Cricket: Under-19 player for Mumbai, demonstrating teamwork and strategic thinking.

Chess: Regular player, enhancing my focus and analytical skills.

Additional Information

Languages: Fluent in English, Hindi, Gujarati and Marathi

Hobbies: Enjoy playing chess, listening to music, and learning new programming languages through online courses.
